

The Brill Company

*Talk about durable, comfortable,
fun furniture...*

Let's talk about Brill.

When we talk about today's students, Brill focuses on the ever-changing demands of campus living. Students are being challenged with a fast paced, highly technological agenda yet prefer a comfortable and functional room to call home. With more than sixty years of manufacturing experience, The Brill Company listens and responds to each unique set of needs because the furniture solutions are as individual as each campus. So when you talk about comfort, durability and fun.... talk about Brill.

Working Daily To Preserve Our Environment

At The Brill Company, we value the natural environment, and our business practices reflect that commitment. From environmentally sensitive sourcing and use of raw materials, to reclaiming 100% of our wood waste from production, we work every-day to build rich quality into our products and to have minimal impact on the world around us...it's been a part of our business culture for a long time.

Our Green Journey

Materials & Resources

- Credit 2.1 Construction Waste Management, Divert 50% From Landfill = 1 Point
- Credit 2.2 Construction Waste Management, Divert 75% From Landfill = 1 Point
 - All post production wood waste is burned in a boiler providing the only heat source for 70,000 square feet of production space.
- Credit 5.1 Regional Materials, 20% Manufactured Regionally = 1 Point
 - Veneer Core from Canada, Lumber from Grand Rapids, Michigan, and Surfaces from Corunna, Michigan
- Credit 5.2 Regional Materials, 10% Extracted and Manufactured Regionally = 1 Point

Indoor Environmental Quality

- Credit 4.4 Low-Emitting Materials, Composite Wood and Laminate Adhesives = 1 Point
 - Standard veneer core product is Columbia Forest Products PureBond utilizing soy based adhesive that is formaldehyde free.

Sustainable Sites

- Credit 1.0 Site Selection = 1 Point
 - Facility is located downtown Ludington providing access by many employees via pedestrian walkways and bicycles.

Materials & Resources

- Tenant Space, Long-Term Commitment = 1 Point
 - The facility has been owned and occupied by the company for 67 years.

Trundled Configuration

Students love to have a hand in creating their own environment. LifeSpace II offers students flexibility, fun and innovation with i-trek™. Getting books and computers off of the desk is a plus with i-trek. Sensitive to space yet accommodates the varying dynamics of student rooms.

Other Ideas

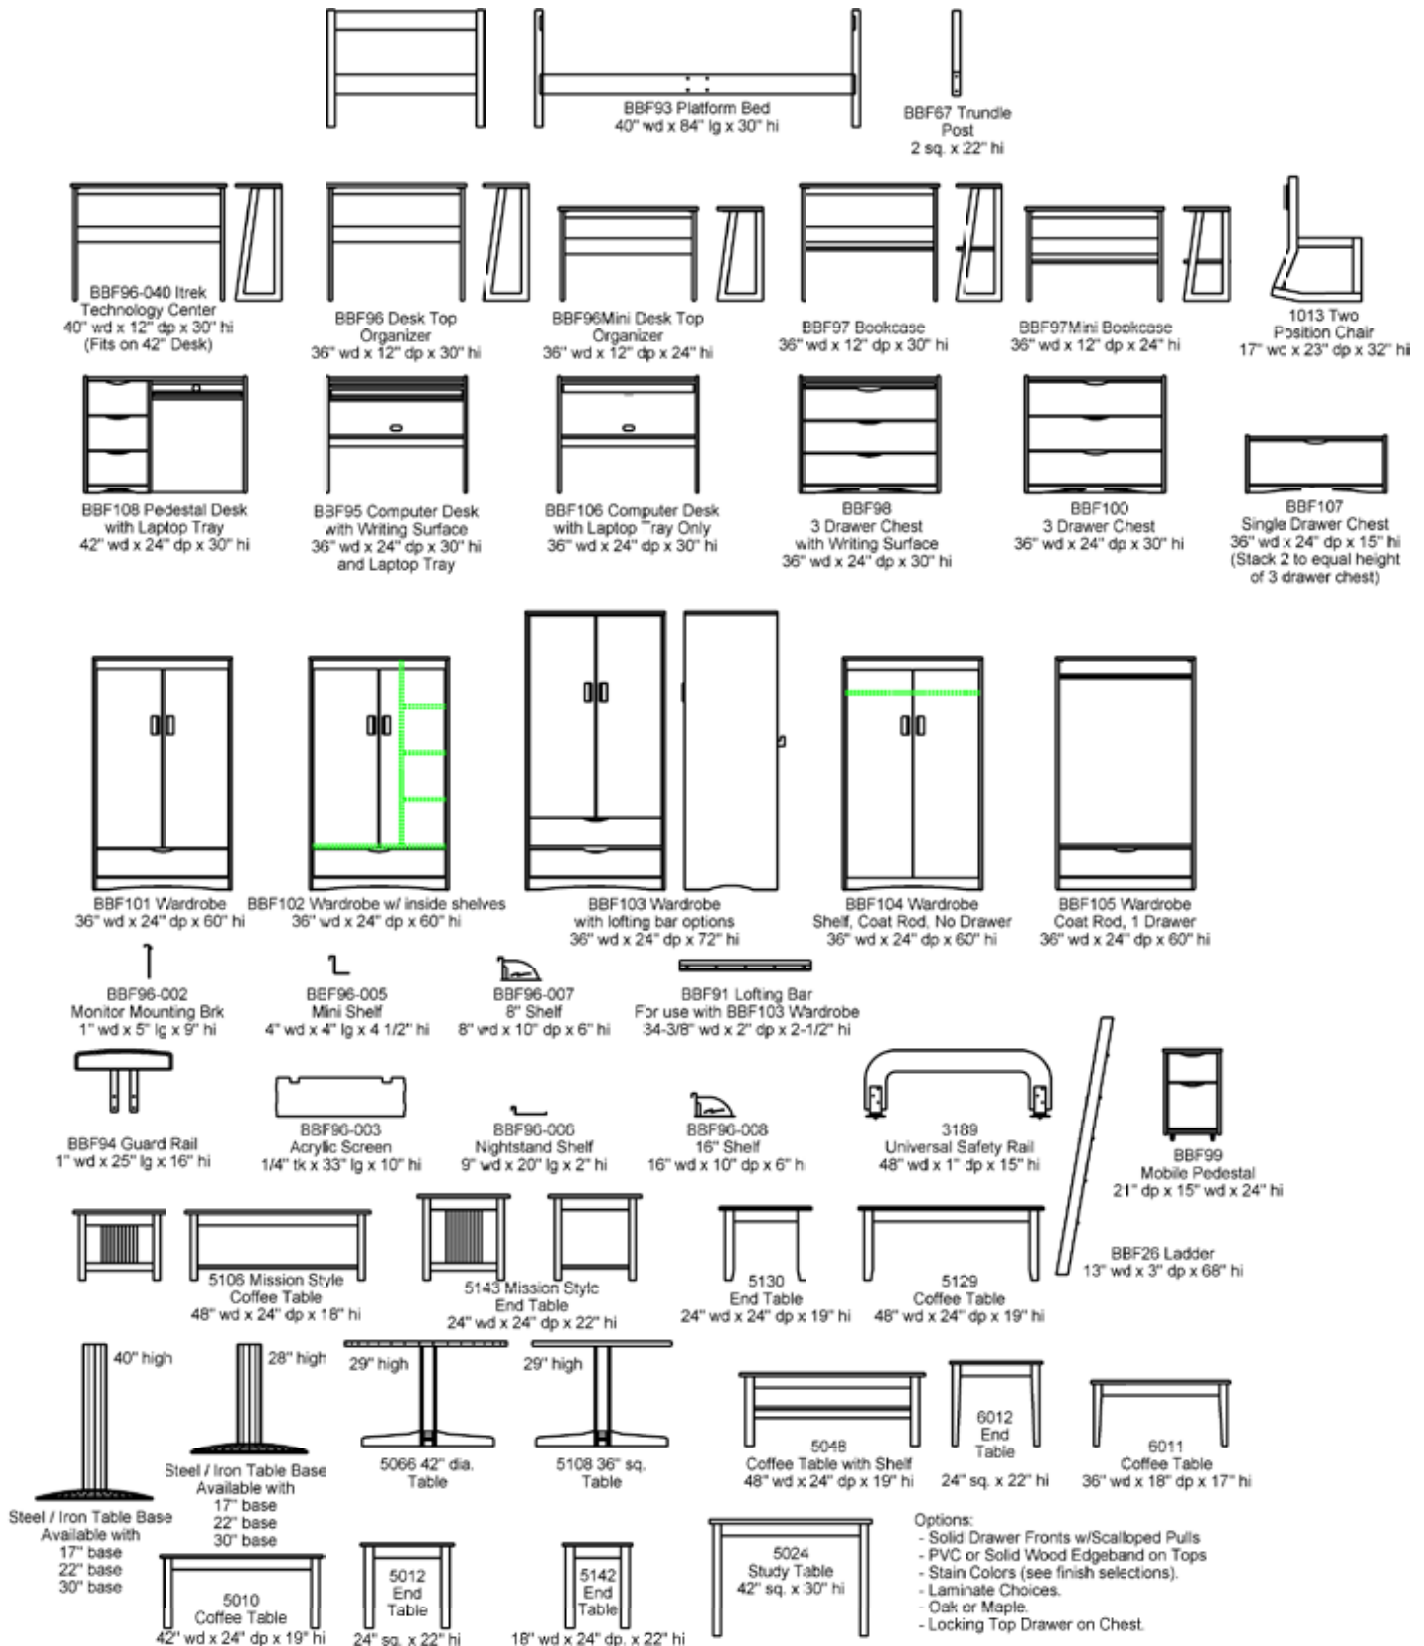

All LifeSpace II furniture elements are designed to be stacked in a wide range of flexible configurations. You can stack a bookshelf onto a dresser, bookcase onto a bookcase, or a dresser onto another dresser. Simply place pins at pinhole locations to connect the two pieces of furniture.

Make sure to place safety pins in each side of the furniture and align with the holes of the top frame.
